KALPAVRIKSHAM
TRUST

ABOUT Us

Kalpavriksham, was founded by Dr. M. Banupriya, in the year 2011. The young undergraduate Founder is now an eminent Radiation Oncologist and double Gold Medalist from Cancer Institute, Adyar and MGR Medical University.

The trust has also evolved to focus on "Solving the cancer crisis". Dr Banupriya believes strongly that cancer can be best tackled by prevention and early diagnosis. Today our activities span cancer prevention through cancer awareness, free HPV vaccination, early diagnosis through free mammogram, pap smear, training underprivileged girls in paramedical courses free of cost, cancer treatment at an affordable cost and palliative care.

MESSAGE FROM FOUNDER

Dear Friends,

Every day, I am inspired by our mission - "Solving the Cancer Crisis." Kalpavriksham has become a statewide movement dedicated to preventive oncology. We have reached 42,981 beneficiaries, performed 1,379 mammograms, 1,450 Pap smears, and delivered 532 HPV vaccinations. Every milestone we celebrate is made possible by your support. I invite you to continue walking beside us on our journey to build healthier communities and save lives.

Dr. M. Banupriya.,
Founder, Kalpavriksham Trust

ONGOING PROJECTS OF THE TRUST

PROJECT NILA

Vaccinating the community to prevent cancer

PROJECT FEMICARE+

Screening women to identify cancer early

PROJECT SAKTHI

Spreading the message that cancer is preventable and curable

PROJECT SHISHYA

Supporting under-privilege girls to pursue paramedical courses

PROJECT KARUNAI

Supporting patient care and palliative care

IMPACT STORIES

2025 - 2026

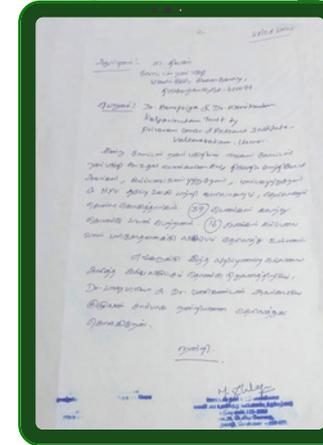

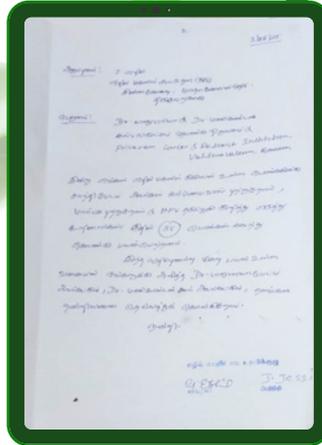

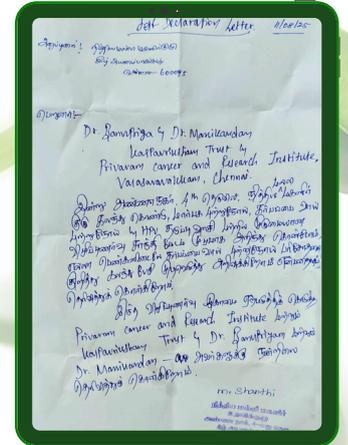

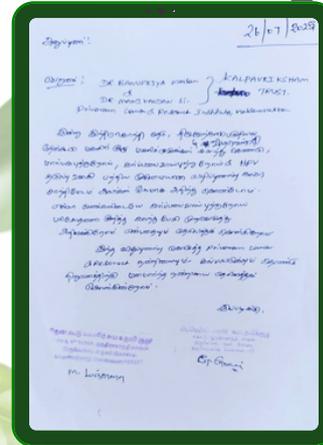

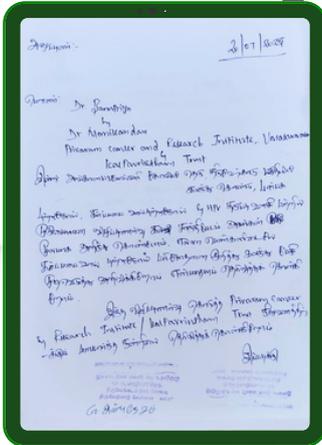

KALPAVRIKSHAM TRUST

1. A Ray of Hope for Anbagam Rehabilitation Centre:

We screened 55 mentally challenged women at Anbagam Rehabilitation Centre in Otteri. These women have been neglected so far and not able to take care of themselves, Kalpavriksham in collaboration with Anbagam Rehabilitation Centre conducted a 'Cancer Screening Camp' and created awareness about how to screen themselves for cancer.

Rally to spread awareness on cancer

Kalpavriksham Trust and Privaram Cancer Hospital along with Padma Sarangapani Higher Secondary School organised a four-kilometre rally to spread awareness on cancer and substance abuse. The procession began from the school campus and covered major streets in Virugambakkam. Hospital staff and NSS students of the school took part.

Senior radiation oncologist Dr. M. Banupriya and senior consultant oncologist Dr. L. Manikandan are the founder and CEO of the trust respectively. They addressed the students about the early symptoms of cancer and the ill effects of drug abuse, says a press release.
